

Harmony Public Charter School Requires Substitute Teachers for the 2026-2027 Year

Harmony Public Charter School is accepting applications to substitute teach in our first year of operation. HPCS will be offering a Kindergarten to Grade Six Alberta Program of Studies in 2026-2027 with an anticipated enrollment of approximately 140 students. The school is publicly funded by Alberta Education and will offer an Africentric approach to learning.

Do you have an Alberta Teaching Certificate and are interested in some part-time work?

Do you have a current Criminal Record Check and a current Vulnerable Sector Check? You will be required to submit both before being a substitute teacher in HPCS.

Please consider joining our team as a substitute teacher. Interested applicants are able to review information about HPCS at our website at hpcaalberta.ca.

Please forward applications including three references to:
